

**AUDITOR'S REPORT ON THE REVIEW  
OF THE FULL INTERIM CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE PERIOD FROM 1 JANUARY 2012 TO 30 JUNE 2012**

**To the Shareholders and Supervisory Board of ELEKTROBUDOWA SA**

We have reviewed the attached full interim consolidated financial statements of the ELEKTROBUDOWA SA Capital Group with ELEKTROBUDOWA SA having its registered office in Katowice, at Porcelanowa 12, as the Parent Company, including a consolidated statement of financial position prepared as of 30 June 2012, consolidated statement of comprehensive income, consolidated statement of changes in equity, consolidated statement of cash flows for the period from 1 January 2012 to 30 June 2012 and notes, comprising a summary of significant accounting policies and other explanatory information.

Compliance of these full interim consolidated financial statements with the requirements laid down in International Accounting Standards, International Financial Reporting Standards and the related interpretations published in the form of European Commission regulations and with other regulations in force is the responsibility of the Management Board and Supervisory Board of the Parent Company. Our responsibility was to review the financial statements.

Our review has been conducted in accordance with the national auditing standards issued by the National Council of Statutory Auditors. These Standards require that we plan and conduct the review in such a way as to obtain reasonable assurance that the consolidated financial statements are free from material misstatement.

Our review has been conducted mainly based on an analysis of data included in the financial statements, examination of the accounting records as well as information provided by the management and the financial and accounting personnel of the Group.

The scope and methodology of a review of full interim financial statements differ significantly from an audit, which serves as the basis for expressing an opinion on compliance of annual financial statements with the applicable accounting principles (policy) and an opinion on their fairness and clarity. Therefore, no such opinion on the attached financial statements may be issued.

Based on our review, we have not identified any issues which would prevent us from concluding that the full interim consolidated financial statements have been prepared, in all material respects, in compliance with the requirements laid down in International Accounting Standards, International Financial Reporting Standards and the related interpretations published in the form of European Commission regulations.
