### **Notes to editors:**

New World Resources Plc is a Central European hard coal producer. NWR produces quality coking and thermal coal for the steel and energy sectors in Central Europe through its subsidiary OKD, the largest hard coal mining company in the Czech Republic. NWR currently has several development projects in Poland and the Czech Republic, which form part of NWR's regional growth strategy.

In 2013 the Company announced a strategic outlook to reposition NWR into *Europe's leading miner and marketer of coking coal* by 2017.

NWR is listed in London, Prague and Warsaw. It is a constituent of FTSE Small Cap index.
