The words "believe", "anticipate", "expect", "intend", "aim", "plan", "predict", "continue", "assume", "positioned", "may", "will", "should", "shall", "risk" and other similar expressions that are predictions of or indicate future events and future trends identify forward-looking statements. These forward-looking statements include all matters that are not historical facts. In particular, any statements regarding NWR Plc's strategy, dividend policy and other future events or prospects are forward-looking statements. You should not place undue reliance on forward-looking statements because they involve known and unknown risks, uncertainties and other factors that are in many cases

beyond NWR Plc's control. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that NWR Plc's actual results of operations, financial condition and the development of the industry in which NWR Plc operates may differ materially from those made in or suggested by the forward-looking statements contained in this announcement. The cautionary statements set out above should be considered in connection with any subsequent written or oral forward-looking statements that NWR Plc, or persons acting on its behalf, may issue. Additional risk factors are as described in NWR Plc's annual report. A failure to achieve a satisfactory capital structure for liquidity and solvency purposes would pose a significant risk of the Group ceasing to operate as a going concern.

Forward-looking statements are made only as of the date of this announcement.
