## REGISTRATION AND GRANT OF PROXY

### I. You wish to personally attend the Annual General Meeting or grant proxy to another person (NOT the company's proxy holders):

- a) You must, **in principle, instruct** your custodian institution, e.g. when executing your custodial agreement, to register shares you own – therefore including those of bmp media investors AG – for attendance at Annual General Meetings.

In this case you don't need to do anything – the custodian institution automatically registers your shares through Clearstream for attendance at the Annual General Meeting at bmp media investors AG.

If necessary, please check once more with your custodian institution to find out whether it has registered or will register your shares for the Annual General Meeting. If, contrary to expectations, this is not the case, please proceed according to I. c).

- b) You have **not, in principle, instructed** your custodian institution to register shares you own for attendance at Annual General Meetings.

In this case, please ask your custodian institution whether it can nevertheless undertake the registration of your shares via Clearstream. If this is the case, you do not need to do anything more.

- c) Your custodian institution has not registered your shares for attendance at the Annual General Meeting, nor will it do this.

To first personally register your shares for attendance at the Annual General Meeting, use the 'special proof pursuant to section 123 of the German Stock Corporation Act (Aktiengesetz – AktG)' (**'Form'**).

First, have your custodian institution fill out the upper part of the form (**TOP SECTION**). Then inform us in **PART 2** of the form whether you would personally like to appear at the Annual General Meeting or whether the admission ticket should be issued in a different name.

**II. You cannot personally attend the Annual General Meeting, but wish to give proxy holders of the company power to exercise your voting rights.**

**In this case, you must register your shares in your name for attendance at the Annual General Meeting and in addition grant proxy and issue instructions to the company's proxy holders.**
